August 2009

Dear Friend of Purusha,

We are pleased to present you with the enclosed report about Purusha's new home—the *Maharishi Purusha Capital of the Western World*—which is now under construction in the secluded majesty of the Blue Ridge Mountains of West Virginia, just 90 miles west of Washington, DC.

During the last four months of 2007, Maharishi worked almost daily with our top Movement leaders to find this precious land and plan every aspect of the campus design and development. His concern was to immediately build a royal, permanent home for Purusha with expansive views to uphold the development of their experiences of deep silence and their role as "Rulers of the World" through Silent Administration.

We have enclosed information about the project for your consideration. You can also visit www.purushacapital.org for more photos and a short video overview that includes Maharishi expressing his keen desire to quickly create a proper home for his cherished Purusha program.

Through the financial resources of the Purusha Rajas and Raja Bob LoPinto, 410 acres of beautiful land have been purchased, and more than a mile of road is under construction. Additionally, the Purusha Rajas and Purusha men themselves have secured about half the \$3 million required to complete accommodations for 40 men to occupy the campus by January 12.

Help is now urgently needed to secure the remaining \$1.6 million that will put this historic project on an irreversible path to timely completion. Therefore, we hope you'll join us at this critical point in the project's development because your support will have a very positive impact.

Together, our contributions will ensure that the members of the Maharishi Purusha Program receive the support and upliftment that they so much deserve, which in turn will help ensure prosperity, invincibility and a heavenly future for America and the world.

If you have any questions or would like more information, please call Raja Bob LoPinto at 301-230-8900 or email him at RajaBob@Maharishi.net.

Thank you for your kind and timely consideration!

Jai Guru Dev
